Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 13 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy with snow showers then turning milder later Sunday.

Today:
A cloudy and dry day, before some light showers of snow come into the far west of the region during the afternoon. Staying cold and windy. Maximum temperature 2 deg C (36 deg F).

Tonight:
Though some snow showers continue sporadically for a time it soon becomes a dry and cloudy night. Remaining cold and windy, with frost forming across the region. Minimum temperature -2 deg C (28 deg F).

Sunday:
Some rain arrives from the west in the morning, this freezing in places to give ice. It turns milder and the rain becomes heavier into the afternoon. Staying windy. Maximum temperature 5 deg C (41 deg F).

Outlook for Monday to Wednesday:
A foggy start Monday, as milder temperatures move in. Wetter from Tuesday and into Wednesday, with scattered showers and sunny spells. Windy throughout.
